

Unsworth Academy, Parr Lane, Bury, BL9 8LP

Working alongside Mr C Stretten, the site & facilities manager, we provided several canopy styles and size options to meet the schools budget allowance for a number of canopy requirements around the school grounds.

Selected for the dining area was a free standing 8m x 8m duo pitch canopy providing adequate coverage for up to 8nr dining tables, a 12m x 4m free standing mono pitch canopy was installed in the sports area, and two further 8m x 4m mono pitch canopies for students to relax & socialise. All canopies supplied are the Expert Linear System.
